

# Hip Hop / Jazz Dance Class 4-5 grades

When you hear a song on the radio, do you tap your feet, move your shoulders, bop your head and dance like nobody is watching?

Join Ms. Allen in learning the basics of jazz and hip hop. Jazz and hip hop take traditional African and Caribbean movements mixed with musical theater and street styles to form an awesome form of artistic expression.

We will build upon basic qualities of dance movement such as isolations, kicks, sideways shuffling, popping, leaps and improvisation. We will end every class with 15 minutes of yoga.

All the dancers will participate in a fun choreographed routine performed on Fine Arts night.

Tuesdays 3:30 - 4:30 PM. 1/20- 4/14. Fee \$100.00 in the Parish Center. Please wear yoga pants or comfy shorts and a tank or tee. We will dance barefoot.
