

Dear St. Michael's Family,

I am thrilled to kick off the new 2022-2023 school year!

What is St. Michael's Angels & Vaqueros (SMAV) Parent Alliance?

Parents, guardians and extended family volunteering and working together to promote and enhance community at St. Michael's School through involvement at special events and school support.

Who is a member of SMAV?

YOU! All parents and legal guardians of students enrolled in St. Michael's School are automatically members of SMAV.

When does SMAV meet?

The first Friday of every month! Drop off your student for school and then enjoy a cup of coffee with parents and administrators at the monthly Coffee Corner by the front office. The SMAV meeting will begin immediately after at 8:10 in the Smith Parish Center.

How long is the volunteer commitment?

That depends, some committees are for one-time events and other committees need people on and off through the entire school year. You can volunteer as little as a couple of hours per month or just a few times per year on the annual committees.

I invite you to get involved with the SMAV Committees; you can sign up [here](#), where you will see the list of available committees and a brief description. SMAV would also love to see your extended family involved! If you have an extended family member who wants to be more involved, please share the [sign up](#) link with them.

Please feel free to contact me with any questions or suggestions. I welcome and appreciate your thoughts and advice. I am looking forward to working with all of you to make this a fun and successful year.

With warmest regards,

Katie Bailey
