

Universal Field Trip Permission Form

At various times during the school year, students will have the opportunity to participate in school-sponsored, off-campus activities. The faculty member planning the off-campus activity will provide parents ahead of the scheduled date with communication regarding details of the trip including:

- Event
- Destination
- Designated Supervisor of Activity
- Date and Time of Departure
- Date and Anticipated Time of Return
- Method of Transportation

By signing this form, you as parent or guardian give permission for your child to participate in these events. Parents may opt out of a specific field trip by contacting the teacher organizing the trip or by contacting the main office in advance of the trip. This permission form will not be used for trips out of the Tucson area, or overnight trips. Events such as these will have their own permission form.

I hereby give permission for my son/daughter to participate in field trips sponsored by St. Michael's School. I understand that these trips will be appropriately chaperoned by St. Michael's faculty and staff.
