

## After School LEGO® Enrichment with Play-Well at Saint Michaels School

Level up your engineering skills with Play-Well TEKnologies and tens of thousands of LEGO® parts! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects. Projects are rotated seasonally to ensure that even returning students get a new experience, so join us to design and build as never before and explore your craziest ideas.

**Pokemon+Minecraft using LEGO®**  
**K-2nd**
